

January 24th Was/Is National Beer Can Appreciation Day!

BCCA Magazine Editor Joe Prin #29315 set up for the day at Payette Brewing Co. in Boise Idaho. He brought all of the Payette cans since they began canning in April of 2012. The team from Payette (lower right) was amazed at the history of the simple beer can and will all be visiting Joe's collection soon to see more. Lower Left are Payette beer fans participating in a n Appreciation Day contest of who can stack the most cans! Payette offered all canned beer in their tap room for \$2 from Noon to 10 PM.
